Dracula Delights

Cobwebs, spiders, and dead flowers greeted the audience as they entered the Weese Auditorium for the Halloween production of *Dracula*. Erie strains of music from "the Phantom of the Opera" set a mood that was intensified by the appearance of three, sickly, horrid female vampires moving to the music and welcoming their master, Dracula. So began Logan High School's production of *Dracula*, adapted by John Mattera from the novel by Bram Stoker. For three days, October 30, October 31, and November 1, vampires, madmen, bats, blood, bites, and things that went bump in the night took over the stage. *Dracula* was Logan's most ambitious production technically to date. Stakes, blood, bats, smoke, and "opening" doors all combined successfully to create a few hours of delicious terror with just enough of the comic touch to heighten enjoyment.

"A GREAT GAME TO WATCH"

Coach Christopherson

3

In a thrilling finish to a 2-7 season, the Rangers rallied from an 18-0 first half deficit for a dramatic 20-18 comeback victory over city rival Central. As Coach Christopherson said, "We never really did give up all year. The kids came out and showed that they had a lot of pride." Varley and Rudrud led the rally as Varley completed 14 of 27 passes for 198 yards and three touchdowns and Rudrud caught 8 passes for 144 yards including one touchdown. Rudrud also kicked the two extra points, the margin of victory. Varley also completed a 26 yard touchdown pass to John Thompson and a 17 yard touchdown punt to Mike Koelbl which gave the Rangers the lead with 4:38 left in the game. Central had a chance to score again at the Logan 7 yard line, but junior Doug Hulett cut in front of the receiver and made the game-saving interception in the end zone with only 10 seconds remaining. The victory over Central and the return of the Ark provided an exciting finish as Logan's fans and players celebrated the stunning upset.

Future Business Leaders Of America

The Logan Chapter of FBLA, once again, kicked off its membership drive with a pizza party at Happy Joe's Pizza Parlor. At this party nominations were taken for officer elections. The officers this year included:

Tami Mueller, President
Tammy Phillips, Vice President
Shari Snider, Secretary
Carla Helfrich, Treasure
Ingrid Paulson, Historian

This year the chapter was able to attend the National Fall Leadership Conference In November held in Milwaukee. In Milwaukee the students attended workshops and sectionals on business leadership skills.

The Regional Leadership conference and Competitive Events were held in New Glarus in February. Several students competed in business-related areas. Tami Mueller placed first in Job Interview and Karen Johnson placed second in Advanced Keyboarding Applications. These students then advanced to the State Leadership Conference in Green Bay in April. Carla Helfrich also competed at the state level in Job Description Manuel. Several other students attended the state conference as well.

In addition to attending conferences, FBLA was active in fund raising and social activities. FBLA sold Tom-Wat (a definite tradition of FBLA) and candy bars. The members participated in pizza parties, bowling, Halloween and Christmas parties, hospital and nursing home visits, and Secretary's Day.

The chapter was very active this year. The Outstanding Member of the Year awards were presented to Karen Johnson, Carla Helfrich, and Tami Mueller

DECA

Logan D.E.C.A. (Distributive Education Clubs of America) Chapter, like other chapters, is involved in activities to help students learn about the world of marketing and distribution through a variety of projects.

Projects that D.E.C.A. runs are usually related to one of the symbolic points of the D.E.C.A. Diamond Logo. One point stands for Social Intelligence, meeting and associating with others. Civic consciousness, concern for and helping out those around us is a second point. A third point is Leadership Development, planning and organizing. The last point is Vocational Understanding, exploring careers and skills needed for those careers.

Logan D.E.C.A.'s year began with a "Build Your Own Taco" membership night.

Homecoming brought the carnation sale.

There was the Central Region Conference in Chicago where over 1,000 students from several states gathered for career, personal improvement, and other seminars.

Some members entered District D.E.C.A. competition testing their abilities in marketing career areas. Receiving awards for their efforts were Laura Oestreicher and Vicki Bott.

State competition in Oconomowoc saw a small group of Logan D.E.C.A. members give it their best shot. Though none of the Logan representatives won awards, their efforts were strong.

As the year wound down, D.E.C.A. planned Logan's prom. Countless hours of planning, blood, sweat, and tears went into making it as memorable as possible.

1987-88 has been a year of transition for the staff of *The Ranger Report.* For the first time staff members were responsible for all facets of newspaper production, from the reporting to the writing, to the editing to layout. During 2nd semester thanks to Stacy Shaver's long hours, the paper layout was accomplished on the new MacIntosh computer in the IMC. Editor Al Swift added fresh concepts and a strong voice to the paper's sports and opinion page. All of the staff learned first hand, about the responsibilities that accompany good journalism.

The athletic letter winners' club, named the LC Club, is nearing the completion of another successful year of service under the able direction of President Heather Miller. She is capably assisted by Vice-President Mike Koelbl, Treasurer Kim Yehle and Secretary Perry Jeranek.

The organization exists for one reason only and that is to allow the athletes the opportunity to show appreciation to the school for providing them with the opportunity of participating in extra curricular athletics. The operate the indoor concession stand during the winter sports season and the proceeds are used at the discretion of the athletic department. All help that the members provide is voluntary and the organization and operation of the concession stand is the responsibility of the officers.l Presently the LC Club proceeds are used to offset the expense of team photos displayed in the hallway outside the field house. The club also assists the booster club with the sponsorship of the annual spring athletic banquet.

This year the club had over eighty active members many of which gave willingly of their time and services.

Lettermen's Club

A place to meet other French students, play games in French, and learn about opportunities to use French in this area are some of the activities French students can do in French Club. Meetings were held every month. At the Christmas party the students cooked crepes. They also earned money to take a bus trip to Madison and have lunch at the French House on the U.W. Madison campus. The year ended with an international picnic.

Future Problem Solving Team

Two Logan teams participated in the Future Problem Solving Program this year, posing solutions to the problems of space travel, the elderly, and acid rain. As a result of their fine work on the last problem, one of our teams was invited to attend the State Future Problem Solving Bowl, where their solution to the problem of immigration took first place. Team members Alex Kazaks, Ron Moran, Beth Onsrud and Al Swift will be representing the State of Wisconsin in the international competition at Ann Arbor, Michigan in June. Logan's 2nd team was composed of members Vicki Bott, Caitlin Devitt, Kathy Frey, and Corey McCorkle. Caitlin participated as an alternate with the team that won first place at the State Bowl.

A.D.D. Members: (L-R) Tanya Nichols, Debbie Kessler, Tom Yeskie, Lori Neumann, Hope awless. Advisors: Mrs. P. Haas, Mrs. M. Jacobs.

Students Against Driving Drunk

This year the S.A.D.D. chapter has been involved in several activities including: display of posters around school, attendance at a regional S.A.D.D. conference, distribution of cards with 20 cents to call home for a safe ride, sponsoring a S.A.D.D. dance, Contracts for Life, distribution of S.A.D.D. cards in tuxedos at Prom and contribution of table decorations for Prom. Plans are in the making for a multi-high school S.A.D.D. organization.

S.W.A.T. (Students Working All Together) is a confidential peer advising program. S.W.A.T. team members from each class were selected on the basis of a written application and an interview. Members received approximately 10 hours of training in communication skills, decision making, suicide prevention and making referrals. S.W.A.T. team members are identified by a S.W.A.T. lapel pin and are available to help students with personal concerns on a one to one basis.

Each student enrolling at Logan is matched with a S.W.A.T. team member so he/she has a friend during those difficult first days.

S.W.A.T. team members meet as a group with Pam Foegen and Carol Franke, advisors, to discuss how to handle general situations they encounter. The Logan program is modeled in part from a S.W.A.T. program in Plano, Texas.

A Step Up To Greater Understanding

Hi! My name is Maria M. Falcon. I'm 17 years old and I'm a Rotary Exchange student. My country is Argentina and the name of my city is Cordoba which has 1.100,000 inhabitants.

I have two brothers; one is 13 and the other is 9.

In Argentina I went to a private catholic school only for girls. We have 12 compulsory subjects because we are not able to choose them. We have to wear a brown uniform. As you can see coming here was quite a difference. We also don't have sports in the school, so I was very happy to join the volleyball team.

Logan is a very neat school and I want to thank all Logan's staff especially Mr. Rowe, L. Kaminski, my host family Phil and Nancy Wilson, and Sarah Phillips for helping me with my English and for making this year the best of my life.

Patric Schaede is from Bonn, West Germany. During Patric's 2 month stay in LaCrosse he joined soccer one of the new sports this year at Logan.

Stepping Up With Pep Club

The 1987-1988 School Pep Club had the privilege of a Co-Presidency: Kristin Day and Becky Floyd. Vice Presidency was held by Tammy Wuensch and Secretary/Treasurer by Barb Sloan. Some activities that Pep Club organized were the fall Homecoming, all Pep Assemblies, Red and White Days, and Spirit Weeks. We were sorry to lose Miss Streff as an adviser and we would like to thank Mr. Myhra for all his advice this year. Pep Club was able to buy a coon-skin hat for the mascot-Ranger outfit and was also allowed to have a spring pizza party because of the well kept finances. Pep Club has approximately 60 members. Although not all 60 are active members, Pep Club does have enough loyal members to keep the excellent school spirit going. For all the countless hours and dedication to the Pep Club, we would like to thank our senior officers: Kristin Day, Becky Floyd, and Tammy Wuensch.

Writing a yearbook is a special experience. The staff creates a book of history, of poignant memories, of achievements, and fun and excitement. They put down on paper a lasting memory of a year at Logan Senior. They create a theme to represent the spirit of the year and the students. Then comes the hours of counting, alphabetizing, drawing, and writing to give the student body a book that represents the year of 1987-88 as a Logan Ranger. This year the Winnishiek staff chose the theme "a step up". To the staff it meant that high school years are a step up to the future. It also meant that Logan students continue to step forward to greater achievements.

The yearbook staff is special because they represent all grades and all kinds of talents. They get to know a lot about what goes on at school and become acquainted with more students and school personnel than most students. The staff would like to thank everyone who helped make this yearbook a reality. A very special thanks to Diane Gebhart for her endless hours spent on photography and her expertise. She is always ready to help with layouts, copy or ideas.

ACADEMIC EXCELLENCE

Logan students who earn a cumulative grade point average of 3.5 or above for a school year are awarded an "Academic Excellence" pin at orientation the following fall. A bronze pin is awarded for freshman and sophomore year, silver for junior, and gold for senior year. Students are recognized by the school district in a ceremony held in the fall of each year.

In March 1988 37 students and chaperones from Epinal, France arrived to spend 3 weeks in the La Crosse area. Six French students stayed with Logan students. Jay Lown hosted Laurent Bouquot. Tami Belden hosted Aude Battistella. Chris Goyette hosted Sylvain Lerat. Melissa Gibbs hosted Marion Aubry, Debbie Nash hosted Didier Trouble. Rachel Crawford hosted Marie Christine Truchet for part of the visit. The French students enjoyed shopping as they thought the cost of various items was less than in France. In July of 1989 the Logan students will visit Epinal.

The Ranger basketball team had an exciting mixture of players this year headed by Eric Brieske. Eric Brieske was the lone returning letterman and was joined by seniors Greg Wuest and Bill Coady and juniors Doug Hulett and Charlie Borsheim on the starting five. They showed excellent improvement over the year and played in many close ballgames. Some of the exciting moments were their regional win over Central, a game in which Brieske scored an all-time Logan High School record of 40 points, a win over conference champ Eau Claire Memorial, and a great win over a starring Onalaska team

The season was marked by highs and lows. This was Logan's largest team ever with 45 active participants. The Rangers posted a 6-7 dual meet record with some disappointing losses in mid season due to injuries to key wrestlers. The team bounced back to win the last two meets of the year and have a strong finish which included their first ever Big River's Conference Tournament Championship. The team placed all 12 wrestlers in the top 4 places at the tournament including eight wrestlers in the finals and two champions 155 Scott Shaver and Todd Valentine. The Rangers finished the season with star performances at Regionals (3rd) and Sectionals (5th). The Logan Ranger Pom Pon Squad is composed of 18 active, energetic members, including 2 alternates. The girls provide entertainment at school pep assemblies as well as half-time shows at varsity sports events. They choreograph original routines and perform to either taped or live (band) music. Since the routines are created by the girls themselves and must be practiced to perfection it is essential for all to work cooperatively in order to achieve a polished performance. The pom pon squad may also participate in various pom pon clinics/competitions to enhance and improve their routines. In addition the squad conducts a variety of fund raising activities throughout the year. Money raised is used to purchase necessary uniforms, equipment, etc. The Pom Pon Squad is part of the athletic dept. and members are eligible to earn a letter. As with any co/extra-curricular group, the squad is governed by and must abide by the activities code. The advisor is Mrs. Kathleen Ehrsam-Christianson.

Die Wunderreise

Ten Logan students and nine Central students (and their teachers) spent 3 weeks in July in Bonn and Berlin, Germany. They lived with the families of the students who had been their guests here in La Crosse the summer before. Students had ample opportunity to use their German and to make lasting friendships. Dana Knee stated, "Our day in East Berlin gave us new appreciation for words like "freedom" and 'democracy"'.

OUR PATRONS

The 1987-1988 Winneshiek staff would like to express our appreciation to those businesses in the LaCrosse area who helped make the yearbook possible by supporting the Winneshiek. Their assistance has made it possible for the production of the yearbook to take "a step up" in quality and availability to the students. These yearbooks hold our memories of an exciting school year and we thank our patrons for their continuous support. Logan students and parents can thank them by supporting their businesses.

Go to parties every night, praise the china bowl man, go to work, sleep, and get up and start the cycle over. I can't wait. Graduation seems just around the corner. Best of luck in all you do. 1. We brought home the ark. 2. Take Ranger Drive to greater achievement. 3. Some new math classrooms. 4. Academic Decathlon, another success. 5. A new press box. 6. Martina Roll, our teacher from Germany. 7. It's time for a break and then .... we begin again.

Hey Hey Stac-

Isn't your Junior year one of the most memorable ones? I didn't think so either. I especially love being a senior in this junior class. But, with you, Tijuana, Damon and Douglas, it's a treat. I'm glad we're getting to know each other better. We'll have to do something soon. Have a great year bud - Love Wendy Reagles

P.S. my skin better not be bruised ☺

Stacy,
Only one

Stacy,

Hey Butch! I really can't tell you how glad I am that we are still Best friends! We have been through alot together! (Colorado) That was so much fun. I guess it showed that we can really get along huh! Not only are you my MOM's favorite daughter but Best friend!
